

List of tables and figures

Tables

Table 1.1	South Africa's global competitiveness ranking of education, 2008–2013
Table 1.2	Formal sector workers in highly skilled occupations
Table 2.1	Formal sector employees (1 000s) by industry, <i>OHS</i> 1997 vs <i>QLFS</i> 2011Q4
Table 2.2	Gross value added (R million, 2005 prices) by industry, 1997 vs 2011
Table 2.3	Average annual percentage growth in mean monthly earnings (2012 prices), gross value added (2005 prices) and formal sector employment by industry, 1997 vs 2011
Table 4.1	Land area of former homelands
Table 4.2	Sample of black farming households in South Africa
Table 4.3	Descriptive statistics of all African farming households by homeland status
Table 4.4	Description of homeland farming
Table 4.5	Distribution of land size among African homeland crop farmers
Table 4.6	Linear probability models of adult hunger by household (1)
Table 4.7	Linear probability models of adult hunger by household (2)
Table 4.8	Linear probability models of adult hunger by household (3)

Figures

Figure 1.1	South African economic and social infrastructure investments, 1960–2013
Figure 1.2	Public debt as a percentage of GDP, and debt service cost as a percentage of government budget, 1975–2013
Figure 1.3	Major components of the South Africa government budget, 1990–2015
Figure 1.4	Public education budget allocation by category, 1996–2011
Figure 1.5	Social welfare budget by type of grant, 1997–2013
Figure 1.6	South Africa's national savings as a percentage of GDP, 1980–2018
Figure 1.7	Perceptions of corruption by institution, 2013
Figure 1.8	South Africa's unemployment rate and Gini coefficient in global context
Figure 1.9	South Africa government effectiveness index, 1996–2011
Figure 1.10	South Africa's control of corruption index, 1996–2011
Figure 2.1	Mean monthly real wages (2012 prices) and number of formal sector employees – agriculture, forestry and fishing
Figure 2.2	Mean monthly real wages (2012 prices) and number of formal sector employees number – mining and quarrying
Figure 2.3	Mean monthly real wages (2012 prices) and number of formal sector employees – manufacturing
Figure 2.4	Mean monthly real wages (2012 prices) and number of formal sector employees – electricity, gas and water
Figure 2.5	Mean monthly real wages (2012 prices) and number of formal sector employees – construction
Figure 2.6	Mean monthly real wages (2012 prices) and number of formal sector employees – wholesale and retail trade
Figure 2.7	Mean monthly real wages (2012 prices) and number of formal sector employees – transport, storage and communication
Figure 2.8	Mean monthly real wages (2012 prices) and number of formal sector employees – financial and business services
Figure 2.9	Mean monthly real wages (2012 prices) and number of formal sector employees – community, social and personal services
Figure 2.10	Mean monthly real wages (2012 prices) and number of formal sector employees – all formal sector employees
Figure 2.11	Average annual percentage growth in mean monthly earnings (2012 prices) and formal sector employment by industry, 1997 vs 2011
Figure 2.12	Mean monthly real wages (2012 prices), formal sector employment as a percentage of total employment, and relative gross value added – agriculture, forestry and fishing
Figure 2.13	Mean monthly real wages (2012 prices), formal sector employment as a percentage of total employment, and relative gross value added – mining and quarrying
Figure 2.14	Mean monthly real wages (2012 prices), formal sector employment as a percentage of total employment, and relative gross value added – manufacturing

- Figure 2.15** Mean monthly real wages (2012 prices), formal sector employment as a percentage of total employment, and relative gross value added – electricity, gas and water
- Figure 2.16** Mean monthly real wages (2012 prices), formal sector employment as a percentage of total employment, and relative gross value added – construction
- Figure 2.17** Mean monthly real wages (2012 prices), formal sector employment as a percentage of total employment, and relative gross value added – wholesale and retail trade
- Figure 2.18** Mean monthly real wages (2012 prices), formal sector employment as a percentage of total employment, and relative gross value added – transport, storage and communication
- Figure 2.19** Mean monthly real wages (2012 prices), formal sector employment as a percentage of total employment, and relative gross value added – financial and business services
- Figure 2.20** Mean monthly real wages (2012 prices), formal sector employment as a percentage of total employment, and relative gross value added – community, social and personal services
- Figure 2.21** Average annual percentage growth in gross value added (2005 prices) and formal sector employment by industry, 1997 vs 2011
- Figure 2.22** The impact of the imposition of a minimum wage on formal sector employment – Case 1
- Figure 2.23** The impact of the imposition of a minimum wage on formal sector employment – Case 2
- Figure 3.1** The alignment between accountability/incentives and capacity/support
- Figure 3.2** How much liquid will the barrel hold?
- Figure 4.1** Changes in hunger patterns for African households by former homeland status
- Figure 4.2** Main household income source by homeland status (non-homeland above, homeland below)
- Figure 4.3** Black households' land tenure by former homeland status
